## Aladdin Classic

**Price: \$1,595.00**

Awarded the "Gold Award" for its outstanding product design by the American Society on Aging, the Aladdin Classic has come to represent independence and the best value in the industry to thousands of users. The Classic is a black and white video magnifier designed for use by people who have visual impairments (including "legal blindness") which make it difficult or impossible for them to read ordinary printed materials.

Utilizing the easy-to-use picture control selector, the Classic can display your printed materials in high-contrast black text on a white background or white text on a black background. The white text on black or negative image is ideal for glare reduction. This system also features an extremely large depth of field for viewing three-dimensional objects and a smooth, non-glare reading table which permits reading heavy books.

**Magnification:**

4.5X to 50X

**Monitor:**

**Black & White – 14" (35cm) diagonal with a 12.8" diagonal viewing area**

**Dimensions:**

**15.6" w x 21.5" d x 22" h (39.6cm x 54.6cm x 55.9cm)**

**Weight:**

**37 lb. (16.8 kg)**

**Fuse:**

**2 Amp time delay, 250 V**

**Power:**

**100-240 VAC (+10%), 47-63 Hz, 50W max.**

**Environment:**

**Operating Temperature: +41F to +122F (+5C to +50C)**

**Storage Temperature: -4F to +140F (-20C to +60C)**

**Approvals:**

**ETL, c-ETL, CE, VDE, SEMKO, LVD, FDA, and VCCI**
